

Changing of the Guard... a smooth transition insured:

At the September 1st meeting of the **Tippecanoe County Park & Recreation Board**, the Board announced that Ron Dye would retire as Superintendent of the park department effective January 21, 2005. Ron began work for the park department in April of 1973 and was named Superintendent on August 15, 1974. He has guided the park department from its early beginnings; the Board was formed in 1966. The Park Board unanimously voted to hire Allen Nail as Ron's successor. Allen has been a full-time employee of the park department since 1985 and is the current Amphitheater Property Manager.

**Congratulations to Ron and Allen
on their accomplishments!**

Hoorays for the TCOB employees who have become so physically fit in the past month. We had horrible luck with the elevator company that was hired to bring our elevator up to current safety code - and we appreciate your cooperation in taking the stairs (and taking them without complaining!). **You all are great!** Thanks for putting up with the inconvenience for so long - you all deserve the gold medals for your Olympic efforts!

Message from Heather in APC:
